HYBRID CLONES: LEMON CHERRY RUNTZ

leave you soaring. The taste of Lemon Cherry Runtz is the stuff of dreams, with a blend of sweet, sugary citrus accented by fruity cherries and berries. The aroma is very similar, with a bouquet of fresh fruits and berries accented by sour, citrusy lemons and spicy flowers. The Lemon Cherry Runtz high will hit you as soon as you exhale, rushing into your mind with a cerebral euphoria that instantly lifts your mind and numbs it with a sense of bliss. As your mind soars, a soothing physical relaxation will begin to sink in, eventually lulling you into a full-bodied state of calm. In combination with its high 19-23% average THC level, these effects make Lemon Cherry Runtz a great option for treating a variety of conditions including chronic stress or anxiety, chronic pain, depression and PTSD. This bud has small, heart-shaped forest green nugs with bright purple undertones, thick red-orange hairs and a sparkling and frosty, chunky golden-white trichomes topped with sweet, sticky resin.
