

PINK CANDY

Bred by the New420guy Seeds, Pink Candy Kush—sometimes called Pink Candy—is a sativa-dominant cross of Stinky Pinky and Cotton Candy. Perfect as an afternoon pick-me-up, this strain gets your mind going with uplifting feelings. The flavor profile is sweet yet sour, with a fruity, citrus influence reminiscent of pink lemonade. Green buds have dark orange hairs and notes of purple, and its thick blanket of trichomes are kissed with pink hues.
