Description

3.5 Grams Top Shelf – Paradise Pie by PBMJ Farms (Sativa)

Paradise Pie, also known as "Gangsta's Paradise" or "Gangsta's Paradise OG," is a Sativa strain created through crossing the classic OG Love X Valhalla strains. With soothing effects, you'll soon be transported to your own personal pain-free paradise with this tasty bud! The high comes on with a strong euphoric lift that launches you into a state of pure happiness.. As your mind lifts higher and higher, your body will drop off into a relaxing couch-lock that won't leave you sedated. Rather, you'll feel completely pain-free in both mind and body and totally at ease as the high ebbs and flows throughout your entire being. These potent effects in this strain make Paradise Pie the perfect medicinal strain for treating a wide variety of conditions including chronic pain, depression, chronic fatigue, inflammation, and muscle spasms or cramps.
